Step by step installation instructions: You should read the instructions before doing anything else. Prelude to the setup: Windows 7 64 bit: ===== You have to have Windows 7 64 bit to install AutoCAD 2010. Before proceeding further, make sure to have the last version of Windows Upgraded from Windows XP. If not, then you have the choice between the alternatives. To get rid of any errors that might occur in the process, we need to install Microsoft.NET Framework 3.5. You can check the compatibility of .NET Framework 3.5 or later version via "Help & About" from the Windows menu, then click on "Check for Updates". Download and installation: ===== Close all your currently running programs and Windows Explorer. (Using CTRL+ALT+DEL) You can press the F10 key to open the "Command Prompt". Follow the instruction to locate the AutoCAD 2010 setup file and make a backup. Download 1cb139a0ed
